

Friends of Jesus of Nazareth Community
In love and service for the Good Shepherd

The Community is a group of Catholics that promote, pray and work for increase in vocation to the Priesthood. We need more Priests in the Catholic Church. The harvest is plentiful, but the workers are few (Luke 10:2).

Join the Community to invest your talent to help provide more 'workers' to 'harvest' plenty for Jesus. There is a monthly meeting held on the third Friday of each month at 6:30pm in the Church Centre and everyone is welcome.

OUR PRAYER TO JESUS

Lord Jesus, establish the Community of your friends all over your Holy Catholic Church, make it a vehicle for spreading your Word, an instrument for service in your Church, and a medium to call more workers into your Vineyard. Amen.
