

A SPIRITUAL BOUQUET FOR A BELOVED PRIEST (family project)

A “spiritual bouquet” is a lovely way to show gratitude for our priest and to express our appreciation and support for his vocation. It is also a wonderful family project.

You may wish to use the tally sheet and post it where everyone will see it and be reminded to contribute to the bouquet. Pray the family Rosary for your priest and mention his name in each Hail Mary “.... Pray for Fr (name) now and at the hour of his death, Amen”. Offer up **sacrifices, Holy Hours, Holy Communions, Rosaries and Divine Mercy Chaplets**. Stop by your posted sheet often and offer up a quick **Our Father** or **Hail Mary** for him. Keep track of these offerings on the tally sheet.

Print out the inside and outside of the card. Sandwich the two together. Write the final numbers in the appropriate spaces on the inside of the card. Sign the card with any additional messages and (if possible) present/send the card to your priest. Alternatively, make your own! He will greatly appreciate this gift.
