

Diocese of Nottingham: Good Shepherd Parish Think Tank

Terms of Reference

The role of the Good Shepherd parish think tank is to:

1. Consider and develop new ways to evangelise internally within the parish **and** externally within our local community.
2. Liaise with the leaders of the parish's varied ministries to improve communication and co-operation and to progress initiatives.
3. Consider ways of encouraging vocations to the priesthood, religious life, diaconate and serving ministries.
4. Communicate to our local community to encourage a desire to develop faith for individuals and for families in association with the parish's many and varied ministries.
